

MILAN | COLORECTAL

May 25th-26th
2023

FINAL PROGRAMME

CONGRESS PRESIDENTS

Prof. Luigi **Boni**

Prof. Pierpaolo **Sileri**

Prof. Antonino **Spinelli**

We are pleased to invite you to the first edition of the Milan Colorectal Congress.

This is a unique opportunity to meet a "top class" faculty, expert in different fields of colorectal surgery with a balanced program of invited lectures and live surgeries.

The entire event will be held in a single congress room in order to give all the speakers the opportunity to deeply cover the assigned topics.

Two pre-congress hands-on workshop will focus on innovative techniques in rectal and proctological surgery, that will take place on May 24th at Humanitas (Anatomy Lab) and at IRCCS San Raffaele Hospital.

Join us in the vibrant Milan during one of the best season for sightseeing.

Prof. Luigi **Boni**

Prof. Pierpaolo **Sileri**

Prof. Antonino **Spinelli**

PRE-CONGRESS COURSE 1

MAY 24TH

HANDS-ON WET LAB

The pre-congress hands-on workshops will take place on May 24th at Humanitas (Anatomy Lab) and at IRCCS San Raffaele Hospital. The participation is subject to a limited number of participants. The registration is mandatory.

Advanced techniques in rectal surgery: TTSS and TAMIS

HUMANITAS (Anatomy Lab)

Via Manzoni, 113
20089 Rozzano (MI)

9:00	Welcome and introduction
9:20	L. Boni , U. Elmore , A. Spinelli
9:20	From TaTME to TTSS
9:40	M. Carvello
9:40	TTSS: definition, rationale and expected benefits
10:00	M. Sacchi
10:00	TTSS: when to do it?
10:20	C. Foppa
10:20	Surgical procedure step-by-step – A. Spinelli
10:40	Q&A
11:00	COFFEE BREAK
11:30	
11:30	History and technical aspects of TAMIS – E. Cassinotti
11:50	

11:50	Outcomes of LE/TEM/TAMIS for benign rectalneoplasms
12:10	A. Arezzo
12:10	Management of early rectal cancer – L. Baldari
12:30	Q&A
12:50	
13:00	LUNCH BREAK
14:30	
14:30	Hands-on workshop with biologic models
17:30	
	#1: TTSS anastomosis
	#2: Set-up and partial thickness excision of pedunculated polyp and closure of defect
	#3: Full thickness excision of sessile polyp & closure of defect – purse string suture
17:30	Closing remarks and wrap-up questions
18:00	

PRE-CONGRESS COURSE 2

MAY 24TH

HANDS-ON WET LAB

The pre-congress hands-on workshops will take place on May 24th at Humanitas (Anatomy Lab) and at IRCCS San Raffaele Hospital. The participation is subject to a limited number of participants. The registration is mandatory.

Updates in transanal management of rectal prolapse

IRCCS San Raffaele Hospital

PALAZZO DIBIT 1 PIANO 1
Via Olgettina, 58 – 20132 Milano

COORDINATORS:
P. **Sileri**, G. **Naldini**, V. **Giacca**glia

FACULTY:
M. **Della Porta**, L. **Lenisa**
A. **Stuto**, A. **Vignali**

8:30	Course presentation
9:30	P. Sileri

Evolution of stapler procedure for management of rectal prolapse
L. **Lenisa**

Video session about surgical techniques – G. **Naldini**

9:30	LIVE SURGERY – STARR and Altmeir procedures (Group A)
13:00	

9:30	Simulators (Group B)
13:00	

Hands-on course on perineal simulator

Haemorrhoidal prolapse: indication and contraindication for stapler procedure - M. **Della Porta**

The learning curve: how and why – A. **Stuto**

STARR: how to avoid and manage complications – V. **Giacca**glia

13:00	LUNCH BREAK
13:30	

13:30	LIVE SURGERY – STARR and Altmeir procedures (Group B)
18:00	

13:30	Simulators (Group A)
18:00	

Hands-on course on perineal simulator

Haemorrhoidal prolapse: indication and contraindication for stapler procedure – M. **Della Porta**

The learning curve: how and why
A. **Stuto**

STARR: how to avoid and manage complications – V. **Giacca**glia

CONGRESS

MAY 25TH

8:45 9:00	Welcome Congress Presidents and local Authorities
9:00 12:30	CHAIRS: A. Arezzo , M. Degiuli , I. Gögenur
9:00 9:20	What is the best teaching model for minimally invasive colorectal surgery? D. Harji
9:20 9:30	Discussion
9:30 9:50	Optimal strategy for advanced right colon cancer P. Delrio
9:50 10:00	Discussion
10:00 11:00	COFFEE BREAK - EXHIBITION
	CHAIRS: G. Poggioli , D. Harji
11:00 11:20	The seal on perfusion assessment: a must or a nice to have? D. Keller
11:20 11:30	Discussion
11:30 11:50	Additive potentials of single port robotics J. Marks

11:50 12:00	Discussion
12:00 12:20	The 5 best innovations in colo-rectal surgery for the next 10 years S. Wexner
12:20 12:30	Discussion
12:30 14:30	LUNCH BREAK & COMPANIES SYMPOSIA see pag. 12
14:30 18:30	LIVE SURGERIES MODERATORS: L. Boni , P. Sileri , A. Spinelli
	PANEL: M. Carlini , A. D'Hoore , B. Heald , J. Warusavitarne
	TaTME R. Persiani - live from Policlinico Gemelli in Rome
	OR2 Lapatoscopic TME T. Rockall

CONGRESS

MAY 26TH

9:00	CHAIRS:
12:30	F. Corcione, C. Foppa, T. Rockall
9:00	Complete Mesocolic Excision: a balanced view of Pros and Cons
9:20	M. Adamina
9:20	Discussion
9:30	
9:30	CME for dummies
9:50	E. Espin Basany
9:50	Discussion
10:00	
10:00	COFFEE BREAK – EXHIBITION
11:00	
	CHAIRS:
	S. Alfieri, V. Giaccaglia, F. Ris
11:00	How to deal with complex perianal fistula
11:20	C. Ratto
11:20	Discussion
11:30	
11:30	Lateral pelvic node dissection in rectal cancer: benefits over risks
11:50	M. Chand
11:50	Discussion
12:00	
12:00	Ostomy after rectal resection: Yes vs No
12:20	Y. Panis

12:20	Discussion
12:30	
12:30	LUNCH BREAK & COMPANIES SYMPOSIA
14:30	see pag. 12
14:30	LIVE SURGERIES
16:30	
	MODERATORS:
	L. Boni, P. Sileri, A. Spinelli
	PANEL:
	D. Harji, M. Scatizzi, S. Wexner
	Robotic TME with TTSS
	Q. Denost – live from Bordeaux Colorectal Institute
	OR2 Robotic Low Anterior Resection
	P. Bianchi
16:30	Farewell
17:00
